## MBL Family Membership Donation from £120 per year

Thanks for joining MBL and to become our gracious members!

MBL is going through its developmental stage at the moment. Your membership support is crucial for us to maintain the office core development and the continuation of current cultural and supporting projects in China and other countries all over the world.

MBL Family Membership opens a Chinese culture door for you as well as provides you and your family a chance to search family root in China for your beloved Chinese children.

- Would you like your beloved Chinese children to know more about their birth culture, and to learn Chinese language and how to play games in a Chinese way?
- Would your family like to travel to China and learn some real traditional Chinese Arts/Performances?
- Would you like to know more information about your Chinese children's birth places and birth families?
- Would you like MBL volunteers to go to visit/help those orphanages/foster care families where your children used to stay?

MBL would like to invite you and your family to become **MBL Family Member**, and from as little as £120 annual standard Family Membership Donation, you will be able to enjoy continuous help/support from MBL:

- **FREE** MBL Children's Journals. And if you buy any copies of "Motherbridge of Love" or Xinran's books from MBL London Head Office, you could get Xinran's signature and **FREE** MBL bookmark
- **MBL translation support** of your letters/message to those unknown Chinese mothers
- Invitation to **MBL Culture Exchange Programme** (e.g. visiting MBL Nanjing BaiXia Children's Palace to learn traditional Chinese Arts/Performance) and your family will get MBL's support during your traveling in China
- **Family Root Search** by trusted/trained MBL volunteers in China (e.g. introducing MBL volunteers who come from the same cities/towns/villages in China as your beloved children's, carrying out documents checking, local visiting and field research to collect more underground information) \*a small extra amount of donation might be required\*

Please **POST CHEQUE** of your Membership Fee to:
